# Anti-Doping Declaration

Update: 26.06.2013

I, **Forename** \_\_\_\_\_ **Name:** \_\_\_\_\_,  
herewith confirm that I know and acknowledge the USPE Anti-Doping Regulations, the WADA World Anti-Doping Code, the International Standard for Testing, the International Standard for TUE, the Prohibited List and the International Standard for the Protection of Privacy.

**Doping constitutes a violation of the USPE Anti-Doping Regulations.**

**Violations of Anti-Doping Regulations are:**

**1. Presence of a Prohibited Substance or its Metabolites or Markers in an Athlete's Sample**

- It is each Athlete's personal duty to ensure that no Prohibited Substance enters his or her body. Athletes are responsible for any Prohibited Substance or its Metabolites or Markers found to be present in their Samples. Accordingly, it is not necessary that intent, fault, negligence or knowing Use on the Athlete's part be demonstrated in order to establish an anti-doping violation.
- presence of a Prohibited Substance or its Metabolites or Markers in the Athlete's A Sample where the Athlete waives analysis of the B Sample and the B Sample is not analyzed; or, where the Athlete's B Sample is analyzed and the analysis of the Athlete's B Sample confirms the presence of the Prohibited Substance or its Metabolites or Markers found in the Athlete's A Sample.
- Excepting those substances for which a quantitative threshold is specifically identified in the Prohibited List, the presence of any quantity of a Prohibited Substance or its Metabolites or Markers in an Athlete's Sample shall constitute an anti-doping rule violation.
- As an exception to the general rule of Article 2.1, the Prohibited List or International Standards may establish special criteria for the evaluation of Prohibited Substances that can also be produced endogenously.

**2. Use or attempted use of a prohibited substance or a prohibited method.**

- It is each Athlete's personal duty to ensure that no Prohibited Substance enters his or her body. Accordingly, it is not necessary that intent, fault, negligence or knowing Use on the Athlete's part be demonstrated in order to establish an anti-doping rule violation for Use of a Prohibited Substance or a Prohibited Method.
- The success or failure of the USE or ATTEMPTED USE of a Prohibited Substance or Prohibited Method is not material. It is sufficient that the Prohibited Substance or Prohibited Method was USED or ATTEMPTED to be USED for an anti-doping rule violation to be committed.

**3. Refusing or failing without compelling justification to submit to Sample collection after notification as authorized in applicable anti-doping rules, or otherwise evading Sample collection**

4. **Violation of applicable requirements regarding Athlete availability for Out-of-Competition Testing, including failure to file required whereabouts information and missed tests which are declared based on rules which comply with the International Standard for Testing. Any combination of three missed tests and/or filing failures within an eighteen-month period as determined by Anti-Doping Organizations with jurisdiction over the Athlete shall constitute an anti-doping rule violation**
5. **Tampering or Attempted Tampering with any part of Doping Control**
6. **Possession of Prohibited Substances and Prohibited Methods**
  - Possession by an Athlete In-Competition of any Prohibited Method or any Prohibited Substance, or Possession by an Athlete Out-of Competition of any Prohibited Method or any Prohibited Substance which is prohibited Out of-Competition unless the Athlete establishes that the Possession is pursuant to a therapeutic use exemption granted in accordance with Article 4.4 (Therapeutic Use) or other acceptable justification.
  - Possession by an Athlete Support Personnel In-Competition of any Prohibited Method or any Prohibited Substance, or Possession by an Athlete Support Personnel Out-of-Competition of any Prohibited Method or any Prohibited Substance which is prohibited Out-of Competition in connection with an Athlete, Competition or training, unless the Athlete Support Personnel establishes that the
  - Possession is pursuant to a therapeutic use exemption granted to an Athlete in accordance with Article 4.4 (Therapeutic Use) or other acceptable justification
7. **Trafficking or Attempted Trafficking in any Prohibited Substance or Prohibited Method**
8. **Administration or Attempted administration to any Athlete In-Competition of any Prohibited Method or Prohibited Substance, or administration or Attempted administration to any Athlete Out-of-Competition of any Prohibited Method or any Prohibited Substance that is prohibited Out-of-Competition, or assisting, encouraging, aiding, abetting, covering up or any other type of complicity involving an anti-doping rule**
9. **Participation or attempted participation in European Police Championships during a period of suspension or ineligibility imposed by the USPE or any other international or national sports federations.**

I will not use a substance or a method from the Prohibited List in order to treat a medical disease unless I have been granted a TUE.

In case I possess such a TUE, I undertake the obligation to present it before the beginning of the sport event and to declare the prohibited substance or method on the Doping Control Form.

The undersigned accepts full personal responsibility for compliance with the above set of rules. He/she accepts that any violation of these regulations will give rise to sanctions, in particular with regard to cost of proceedings and the respective measures governed by the applicable national provisions of the member countries.
